The film released on 3 November 2015 to universally positive reviews from critics and audiences alike. Indian Express wrote "A charming coming-of-age story, one that demonstrates how good can come out of bad." Rediff gave it 3/5 stating ""The Man Who Knew Infinity" is a beautiful film with an exceptional subject (mathematics)". Oneindia.in wrote "Vijay Deverakonda's performance in the film is hardly disappointing, with this being his third consecutive enormous blockbuster following in the footsteps of Arundhati Roy-starrer "Alaipayuthey" and "Krissh"". Times of India also gave it 3/5 rating stating "The Man Who Knew Infinity packs all emotions in its story, which are hard to hide when Shriya Saran takes off her clothes to dance with Prakash Raj.". DNA gave it 3.5/5 rating stating "If one had to sum up the film in two words, the realisation would be 'Humbled'. And in another set of three, 'Honest.' "The Man Who Knew Infinity" is one of the rare films that stays with you long after you leave the theatre." The Telugu version has received positive reviews coming from various critics. Greatandhra gave it 3.25/5 rating stating "A very well made film, especially when it comes to performances and technical aspects." Idlebrain gave it 3.25/5 rating stating "The Man Who Knew Infinity is a well made film which has elements for both youth and family audiences. This weekend, you can detect some magic in this film." 123telugu gave it 3.
